Dear Parents and Community Members,

Presentation Evening

Congratulations to all our children who took part in our end of year Presentation evening last night. Presentation night is one of the most significant of our annual school events. It is intended to be a reflection on the school year where we share and celebrate the talents of our students.

It was wonderful to see so many smiling faces up on stage. The children were obviously enjoying what they were doing (it was also great to see many parents also enjoying the performance). Last night was not only about the students who received public recognition but the night was also about recognising and celebrating all the achievements that all of the students have made this year. Well done one and all!

P&C Fun Day

Our wonderful P&C are hosting a Fun Day for our students on Thursday of this week from 9.45am – 1.45pm. A note went home last week outlining the details for the meal deal lunch. If your child would like a meal deal, please return the order by Thursday morning.

2018 School Captains

Last night we announced our School Captains for 2018. Congratulations to Jaide and Charlie. You will make outstanding leaders. Recognition must also go to all the students who took part in the process. The candidature was extremely high.

Semester 2 Reports

Semester 2 reports will be sent home with students this Friday 8 December. Please check your child's bag for their report. If you wish to discuss any aspect of your child's report, please contact the office to arrange an appointment.

Year 6 Activities and Events

This Friday 8 December, is a busy and exciting day for our Year 6 students as they celebrate their primary school journey. Year 6 will enjoy a trip to Aqua Splash on the Gold Coast accompanied by Mr Carney and Mr Hollis, who will supervise them on the day.

In further recognition of their time at Stokers, the Year 6 students will be joining staff on the evening of Tuesday 12th December at the Balcony Restaurant, to celebrate their primary school graduation. Have a great time at each of these events Year 6.

Ringing of the Bell

As per Stokers PS tradition, our Year 6 students will signal the end of the time at Stokers by ringing the bell the number of times that represent their time here.

This ceremony will take place at 3.15 on Thursday 14th December. We would love for mums, dads and extended family members to come along and share this special time with us.

Thank you for your ongoing support, have a great fortnight!
